Forgive me for not stopping and being awed by what I see daily. Elohim, thank you for the feeling I can have knowing you created with a purpose and reason. Elohim you have put the universe together with your Word and have done the same with my life. Create a path for me to follow that will honour You. Your reveal yourself everywhere and so everywhere we must honour you. Forgive me for not seeing how you reveal yourself to me in my home, workplace and community. Forgive when you did reveal yourself but I choose to look with earthly and not spiritual eyes. Thank you for taking up residence in me through the death and resurrection if Jesus and making my body a temple. Show me how to best honour you. Guide me in my eating habits, in my entertainment choices, and even how I dress so that it is your house that I glorify. El Bethel, help my life be Bethel, the place where you dwell daily. Set up your home in the depths of my souls that I might glorify you in all I do. AMEN.

Empower me to impact the lives of those around me with your kingdom agenda.

When we are faithless, He is faithful.	<b>Jehovah</b> , you seek relationship with all your creation and as such are worthy of all our praise and glory. You wait for me to waken, to get up and greet you, to talk with you, and even spend an evening with you. Even when I waste time on futile distraction you still want to walk with me. Thank you for desiring to be close to me. Thank you for your grace and patience, which you offer me. Give me the ability to love you deeply and to receive the love you have for me. Slow my steps so that abiding with you becomes my way of life. Help me honour you as King and use me to advance your kingdom. AMEN

I honour and adore you for the love you show me even when I am unfaithful to you. Although I desire to be faithful situations arise that evoke fears and doubts, tempting me to make choices of self preservation, selfishness, and greed. <b>EL EMUNAH</b> , open the eyes of my heart so I can see your faithfulness and stand without a shadow of doubt in the confidence of a covenant relationship with you. The universe is merely a pebble in your hand, yet I get consumed by what I hear on the news or see at my workplace or even experience in my relationships. You are never overwhelmed and know how each situation will begin and end. Forgive me for my worry rather than trusting in your wisdom and power. I ask for the ability to slow down and focus my thoughts on you daily. <b>EL OLAM</b> , place yourself in my mind each morning and help me use my time to advance your kingdom, for your glory and for the good of others. AMEN.
